

May 2020 BCTR COVID Drive 2 Abbotsford Chilliwack Hope return

There are a few bathroom stops along the route but trees and shrubs prevail !

This is meant as a BBR short 1 day alternative.

START – same Tim Horton’s Sumas Abbotsford location. Meet 8:45 AM Start 9:30 AM

Duration approx. 2-3 1/2 Hrs depending on how much shit gets shot !

Instruction Key

R- turn right (usually 90 Deg.)

L – turn left (usually 90 Deg.)

AR – acute right turn(more than 90 Deg) AL – acute left turn (more than 90 Deg)

BR – Bear Right (usually at Y in road) BL – Bear Left (usually at Y in road)

S @ TS – straight at Traffic Signal, L at TS- left at Traffic Signal, R @ TS- right at Traffic Signal

S @ Stop – Straight at Stop sign, L @ Stop-left at Stop sign, R @ Stop – right at Stop sign

R first Av. – turn right first available L first Av. – turn left first available

R @ T - turn right at T intersection you come to from the bottom.

L @ T - turn left at T intersection you come to from the bottom.

Merge onto - as it says, Merge into traffic on road you’re entering

Immediate L or R – execute Left or Right turn right after last direction (usually comes quick!)

Directions usually contain full or partial road names or numbers

There are NO dead ends or NO Exit roads used, so If you come to an intersection with 2 of these, you go the “only way “ you can. I may give to directions even if it may be unnecessary “Common sense” applies.

I suggest Striking off each instruction after execution.

OBEY traffic rules and Speed limits, Drive carefully and Watch for Cyclists & Farmers.

Enjoy your Rural drive today “ At your Own Risk “
